ARCHAEOLOGICAL SOCIETY OF NEW MEXICO

SCHOLARSHIP PROGRAM

5. Extracurricular activities, interests, campus or part-time employment:

Use Separate Sheet

6. Faculty and scholastic references:

At least two letters of recommendation must either be attached to this application or send directly to the Scholarship Committee. These letters must stipulate specific plans for the academic year in which the scholarship is received.

7. Provide the name and address of the division of your university's scholarship program to which the scholarship check should be sent if you are selected.

Applicants who receive an ASNM Scholarship Award for a specified Project are requested to submit the results of their research project, thesis and the like to ASNM in a mutually agreed format and time frame.

As part of your application process, please contact your financial aid office to determine how this scholarship might impact your financial aid package, such as grants, loans and other scholarships, should you receive this scholarship
